**PB 8010 WX** 

**110 DAY RM**

PB 8010 is a NEW waxy option from Partners Brand. It is a widely adapted hybrid east to west offering very good plant health and consistent performance. It is a showy, attractive plant with lots of eye appeal and upright leaves. Excellent performance at medium to high populations.

- ✓ Great emergence
- ✓ Good insect resistance
- ✓ Strong roots and very good stalks
- ✓ Excellent plant health
- ✓ It likes the heat
- ✓ Good looking ears all along your rows
- ✓ Extremely high yield potential
- ✓ Very good test weights
- ✓ Great grain quality and yield

**PROTINUS™ Seed Nutrition**

Because a healthy start can make a world of difference™.

#### Area notes

Great selection for eastern third of NE, south of Rt 3 in IA, northern MO down to I-70, from I-88 south in IL down to I-70, from I-80 down to I-70 in IN, and I-80 down to I-70 in OH and the southern half of PA.

#### PLACEMENT CHARACTERISTICS

50% Silk GDUs	1350
Black Layer GDUs	2750
High Pop Tolerance	Very Good
Drought Tolerance	Very Good
Plant Health	Very Good

#### AGRONOMIC CHARACTERISTICS

Seedling Vigor	Very Good
Stalk Rating	Good
Root Rating	Good
Plant Height	Medium
Ear Height	Medium

#### EAR AND GRAIN CHARACTERISTICS

Ear Length	Long
Ear Flex	Semi Flex
Kernel Rows	14-16
Dry Down	Excellent
Test Weight	Very Good
Yield	Excellent

**Monsanto Company is a member of Excellence Through Stewardship® (ETS).** Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization.

**B.t. products** may not yet be registered in all states. Check with your Monsanto representative for the registration status in your state.

Before opening a bag of seed, be sure to read and understand the stewardship requirements, **including applicable refuge requirements for insect resistance management**, for the biotechnology traits expressed in the seed as set forth in the Monsanto Technology Agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation to comply with those stewardship requirements.
